### Inspection checklist

- Acrylic shell surface, cabinet, cover, and insulation
- Jet layout, pillows, filters, lighting, and waterfall options
- Pump, heater, control panel, and equipment bay labels
- Water leakage test and function photos before shipment
- Packing protection, crate marks, and accessory cartons

### Warranty split preview

- **Shell / frame:** Confirm acrylic shell and frame coverage by written quote.
- **Pump / heater / controls:** Confirm Gecko standard or Balboa option component scope separately.
- **Consumables:** Jets, filters, pillows, cover, and cabinet parts require separate confirmation.
- **Service route:** Confirm spare-parts lead time and labor exclusions before deposit.

### Photo pack request

Request current shell, cabinet, equipment bay, pump, jet layout, control panel, cover, water-test, and packing photos before deposit.

- Control panel and equipment bay
- Pump and heater labels
- Jet layout and shell finish
- Cover, cabinet, and packing detail

### RFQ confirmation notes

- Confirm Gecko standard or Balboa option
- Send voltage and plug standard
- Confirm destination climate and insulation need
- Send quantity, destination, voltage, and site constraints before asking for final price.

## Request written quotation

Final specifications, certificate scope, packing data, warranty, lead time, and price must be confirmed in the written quotation.
