**Inspection checklist**

- Prefab panels, roof, exterior shell, and connection detail
- Dimensions, bench layout, heater clearance, and door/glass route
- Assembly hardware, lights, wiring, manual, and labels
- Weather exposure assumptions and drainage notes
- Packing protection, crate marks, and shipment photos

**Warranty split preview**

- **Structure / shell:** Confirm prefab structure and exterior shell coverage by model.
- **Electrical parts:** Heater, lighting, control, and wiring need separate written scope.
- **Glass / hardware:** Door, glass, hinges, and assembly hardware require confirmation.
- **Installation:** Assembly-related exclusions must be agreed before deposit.

**Photo pack request**

Request current module, panel, roof, glass, heater route, packing, and assembly detail photos tied to the exact quoted configuration.

- Prefab panel connection
- Roof and exterior protection
- Door/glass scope
- Assembly hardware and packing

**RFQ confirmation notes**

- Send access route dimensions
- Confirm assembled vs sectional shipment
- Confirm hotel, resort, or home use
- Send quantity, destination, voltage, and site constraints before asking for final price.

**Request written quotation**

Final specifications, certificate scope, packing data, warranty, lead time, and price must be confirmed in the written quotation.

**Request quote after PDF review**
