Inspection checklist

- Cedar board grade, panel joints, bench, and backrest finish
- Room dimensions, heater clearance, door swing, and ventilation
- Door/glass hardware, lighting, control, and accessory kit
- Electrical route, label, manual, and certificate discussion
- Panel protection, crate marks, and loading photos

Warranty split preview

- **Wood panels:** Confirm red cedar scope, visible parts, and finish coverage in written quote.
- **Heater / controls:** Confirm heater brand, control, sensor, and electrical coverage separately.
- **Glass / hardware:** Confirm door, glass, hinge, light, and accessory coverage.
- **Installation:** Site assembly responsibilities and exclusions require written confirmation.

Photo pack request

Request current cedar board, bench, door, heater, control, panel joint, production, and packing photos before final order approval.

- Red cedar board and joint detail
- Bench and backrest finish
- Door/glass hardware
- Heater and control route

RFQ confirmation notes

- Confirm cedar grade and thickness
- Send capacity/site use
- Confirm heater and voltage
- Send quantity, destination, voltage, and site constraints before asking for final price.

Request written quotation

Final specifications, certificate scope, packing data, warranty, lead time, and price must be confirmed in the written quotation.
