<p>GROSS WEIGHT</p> <p>Confirm in written quote before order.</p>	<p>UNLOADING NOTE</p> <p>Check forklift, pallet jack, or manual access before shipping route approval.</p>
<p>PHOTO REQUEST</p> <p>Request packing photos and crate marks before shipment.</p>	

Inspection checklist

- Wood profile, roof, door, and exterior finish condition
- External dimensions, bench layout, and heater clearance
- Glass, hinges, handle, lighting, and accessories
- Ventilation, electrical route, label, and manual pack
- Packing protection, crate marks, and shipment photos

Warranty split preview

- **Structure / wood:** Confirm wood structure and exterior finish scope by written quote.
- **Heater / controls:** Confirm heater, control, and electrical parts separately.
- **Glass / accessories:** Confirm glass, hinges, lights, and accessories before deposit.
- **Freight damage:** Confirm claim window and photo evidence requirement before shipment.

Photo pack request

Request current exterior, interior, bench, heater, door, roof, packing, and production-line photos tied to the quoted batch.

- Wood profile and roof detail
- Bench layout and interior finish
- Heater clearance and control route
- Packing protection and crate marks

RFQ confirmation notes

- Send site footprint and access path
- Confirm heater preference
- Confirm one-set sample or batch route
- Send quantity, destination, voltage, and site constraints before asking for final price.

Request written quotation

Final specifications, certificate scope, packing data, warranty, lead time, and price must be confirmed in the written quotation.
